CHARITY

The Scholarship Committee is selecting high school graduates for academic and trade school scholarships. They are reviewing applications from the three public high schools (Boerne, Champion, and Comfort). Once recipients are chosen, scholarships will be announced and awarded.

The Tapatio Ladies Club gave \$300 to "Meals on Wheels" sponsored by The Center for senior citizens, (center formerly known as Kronkrosky Place.) They provide a meal each day for elderly persons in need. This provides them food, some personal contact to combat isolation, and addresses other needs as well.
